Table design

Trinity House supply 6 foot round tables, and as standard we would suggest covering these with our high quality plain white, floor length linen. This complements their perfectly pale wood frame chairs with light green upholstery. Should you prefer a more bespoke look, we have a large variety of coloured and textured linen available that we would be delighted to talk through with you.

To dress the table, as standard we would suggest our tall, elegant glassware, fine white china and modern stainless steel cutlery, all of which suits the surroundings particularly well. This is only a starting point and we can offer you a full range of options to choose from.
